RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant received a Notification of Defective Response dated March 9, 2007 in connection with the above-referenced application. The notification was issued because there is a discrepancy in the inventor's name on the executed declaration and published PCT application. The published PCT application lists the inventor's name as Wolf Kleinert, while the executed declaration lists his name as Wolfgang Kleinert. The correct name of the inventor is Wolf Kleinert. The discrepancy in the spelling was due to the fact that Wolf is a common nickname for the name Wolfgang.

As the error in the inventor's name was due to a typographical or transliteration error, a new declaration is not believed necessary in accordance with MPEP 605.04(b). A copy of the Notification of Defective Response dated March 9, 2007 is enclosed. Examination on the merits is respectfully requested.

Respectfully submitted,
